General Recommendations

- Review the Choice Policies for all districts/schools for which you plan to apply. This information can typically be found on the Choice or Admissions page of the District/School.
- Plan to visit your school(s) of choice to learn about the school and programs they offer.
- If you accept an invitation to a charter school, you will be required to sign a Certification of Intent to Enroll document which requires your child to remain enrolled in the charter school for at least one year in the absence of any condition constituting good cause. This document should be signed after an invitation has been provided by the charter school and you have accepted the invitation.
