

Brett Paul Coldiron

Brett Paul Coldiron, born April 5, 1991 in Wilmington, DE, passed peacefully on April 7, 2021 in Okeechobee, Florida. Brett returned home to his Lord mercifully from an undiagnosed cardiovascular condition. Though it came unexpectedly, Brett had prepared and devoted himself in preparation for this moment. Those who knew him have little doubt that Brett has been embraced in the arms of our Heavenly Father, the One whom he loved so much.

Brett was an exceptionally hard-working and gifted athlete who excelled in baseball, basketball, football, cross country, track and field where upon graduation he held the DIAA indoor track and field pole vaulting record. He was a proud member of the employee-owned Publix family for 5 years. Brett's unyielding pursuit for discipline and obedience in his faith translated to his generous, loving, kindness as the manager of the Publix meat department.

Brett is survived by his wife Brianna, his parents Lisa Thommes Coldiron and Randy Coldiron (Diane Cavender), his loving brothers Jeffrey (Caitlyn), Drew and nephews Tyson, Rory and Trevor. Brett's beautiful smile and infectious laughter will be missed by his surviving Grandmothers (Lenore Thommes and Ruth Coldiron), his many Aunts and Uncles, cousins and friends.

Brett's life-honed grit and unwavering faith make him a great addition to the army of heavenly Archangels. Heaven just got some serious back up! Well done my good and faithful servant.
