

Dear Sussex Montessori Parents and Students,

It is with great enthusiasm that we introduce ourselves for the upcoming 2024-2025 school year. Infiniti Transportation LLC (Infiniti Transport) provides non-emergency transportation for local residents of Delaware for medical, schools and airports runs.

We are a small business company based in Bridgeville Delaware with over 15 years' professional experience in transportation services and logistics. We are also a cartage agency that services the Delmarva Peninsula.

We are excited about our partnership with Sussex Montessori School and remain committed to safely transporting your child to and from school.

Below you will find company contact information and details about scheduling van services.
